---

Department of Radiology

Monday, August 12<sup>th</sup>, 2019

12:00 – 1:00 PM

P-118

## **Giving Feedback**

*Dr. Nicola Orlov, MD, MPH*

*Assistant Professor, Pediatrics*

FAME is a faculty development series sponsored by the Academy of Distinguished Medical Educators and the Medical Education Research, Innovation, Teaching and Scholarship (MERITS) Programs

The goal of FAME is to support our faculty as educators by providing resources and training in key conceptual and practical skills in teaching and assessment.

FAME will offer faculty development sessions designed for the Department of Radiology throughout the 2019-2020 academic year.
