**UChicago  
Medicine**

# RADIOLOGY GRAND ROUNDS

Wednesday, September 28, 2022

4:30 – 5:30 p.m. ■ Q207B

## **Diversity, Equity, and Inclusion: Contrast Ultrasound- a high- value tool for diagnostic problem-solving**

**Kathryn McGillen, MD**

Diagnostic Radiology  
Abdominal Radiology  
Milton S Hershey Medical Center  
Penn State Health

---

### **Target Audience**

Our target audience includes faculty, fellows, residents, medical students, technologists, nurses, and staff. Additionally, Radiology Grand Rounds is open to all UChicago Medicine employees.

### **Learning Points**

1. Understanding of how contrast ultrasound can fit into the value equation when considering imaging recommendations.
2. Defining diagnostic utility of contrast ultrasound and how/when it can be harnessed in diagnostic conundrums.
3. When to consider contrast ultrasound as a viable alternative to traditional modalities in times of decreased access and shortages.
